

YAMAHA TW200 FRONT RACK HTP9-3-6F

Thank you for purchasing Happy Trails products. Our products are proudly hand made in Boise Idaho, USA. If you have any questions or concerns about the installation of this product, please contact us directly at 1-800-444-8770 or e-mail installation@happy-trail.com.

Before you begin, place the bike on a hard level surface where you have room to work. Lay out the parts included in this kit and compare to the parts list of these instructions. If any parts or hardware are missing, contact us immediately at the number listed above.

INSTALLATION:

All factory hardware will be reused. Remove the upper fork clamp bolts and the upper of the lower two fork clamp bolts. Fit the rack and thread the bolts back through the rack into the triple clamps. Leave the bolts loose until all are fitted. Once rack is fitted, torque bolts to factory specifications.

BOLT LIST:

2— 8MX35MM SHCS bolts to be used if factory hardware is not long enough.
