

## STRAYKER

**The elegant classic with a high-quality appearance**

A classic of the highest quality! These elegant retro bags hark back to the leather suitcases of generations past. The Strayker case is not made of leather, but of high-resistance, water-tight soft-feel material with a leather look that holds its shape excellently. With its color-contrasting corner applications made of enameled plastic, it is a true highlight for any roadster and a real alternative to hard-shell cases. Off the bike, it also looks great as an everyday briefcase. It has plenty of space for A4 folders or a laptop.

## ACCESSORIES

### Side cases Strayker

**Version with quick lock for side carrier and saddlebag holder**

Weight: 2,6 kg  
Capacity 23 Liters  
Dimensions WxHxD: 43 x 31 x 17 cm

**Item-no. 620940 00 01**

### Side cases Strayker C-Bow

**C-Bow version:  
with lock for C-Bow carrier**

Weight: 2,6 kg  
Capacity 23 Liters  
Dimensions WxHxD: 43 x 31 x 17 cm

**Item-no. 620945 00 01**

### Inner bag

Everything in its place. With this inner bag, nothing scatters around the case. The case is easier to load, because the inner bag can be packed ahead of time. At the end of the ride, there's no need to remove the whole case and carry it away – just the inner bag. The bag is made of hard-wearing black fabric. Equipped with a base plate, a 2-way zipper and an adjustable carrying strap, everything stays neat, even during unpacking.

**Item-no. 700405**

### Rain cover

Rugged and watertight in daily use, the Strayker is a natural. Because it opens like a briefcase, its contents aren't sheltered safe from water. Here the rain hood helps protect case's content during long drives in the rain. In case water gets through the rain hood anyway, the bottom has a drainage lug.
